

# 950mm Wheel of Fortune

## 30 segment

**D = 950mm diameter (Acrylic Outer Wheel)**

**E = 896mm diameter (Graphic Disc)**

**F = 250mm diameter (Static Centre)**

**G = 400mm diameter (Optional Message Disc)**

Remember, you can combine adjacent segments to create larger segments.

Possible segment configurations:

**30 segments** (single segments - fig.1)

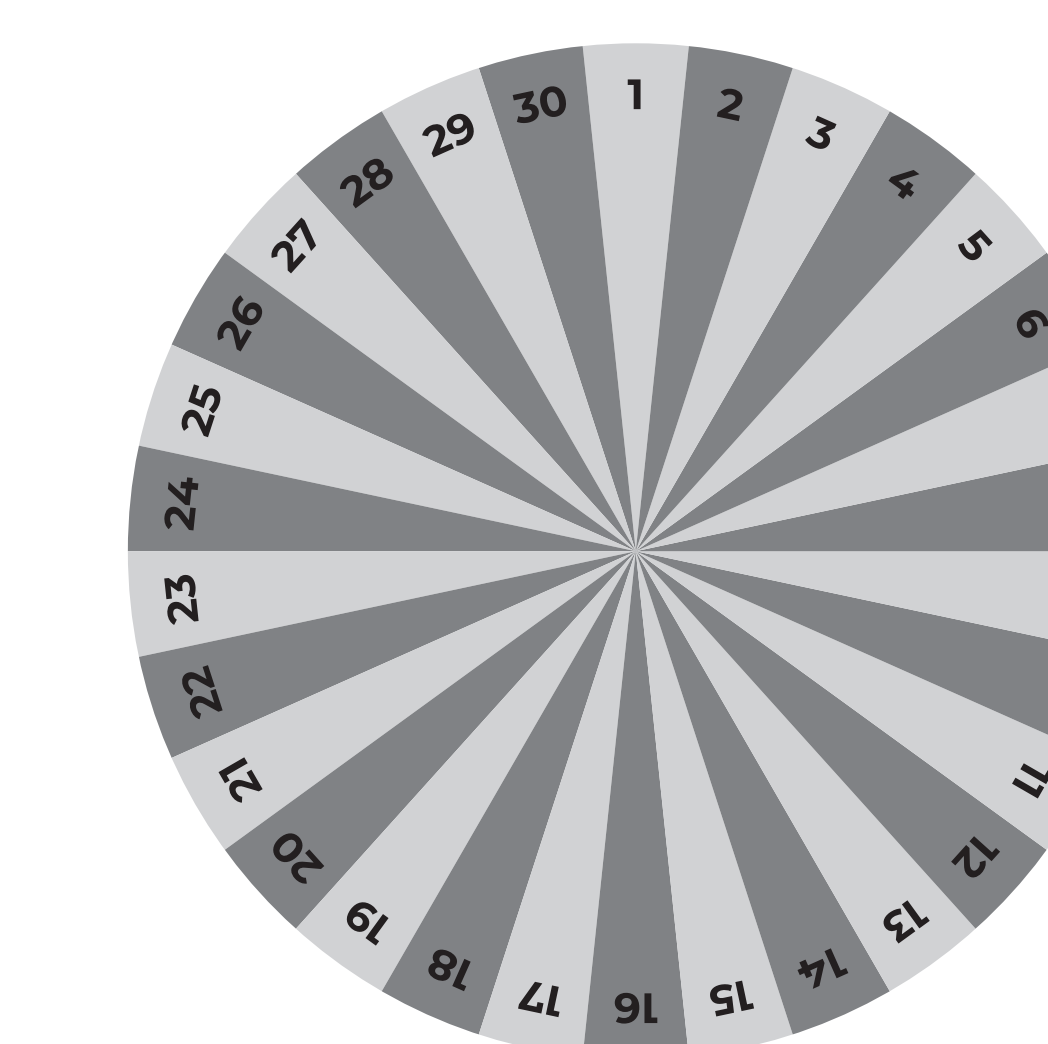

**15 segments** (combine 2 adjacent - fig.2)

**10 segments** (combine 3 adjacent - fig.3)

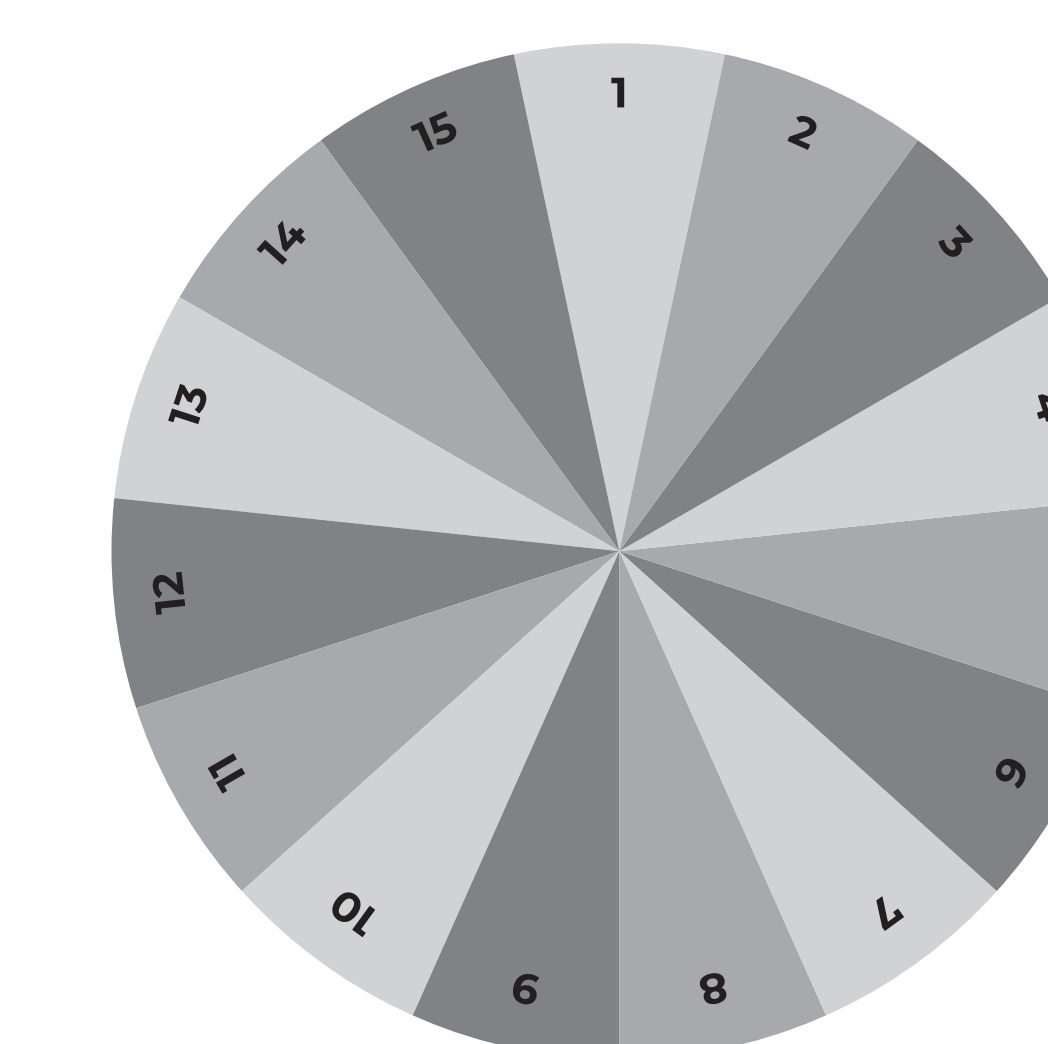

**6 segments** (combine 5 adjacent - fig.4)

**20 segments** (alternate 1 segment and combine 2 adjacent - fig.5)

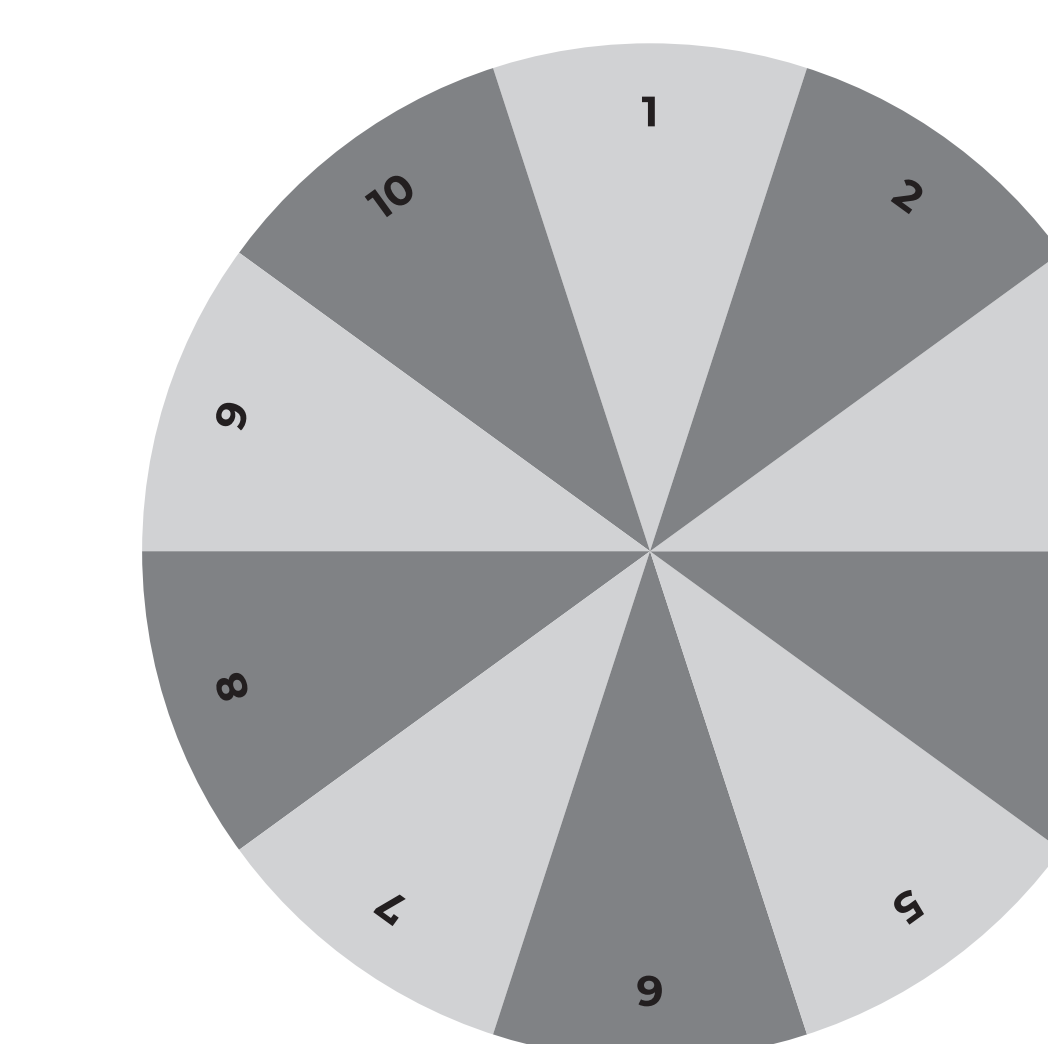

**12 segments** (alternate combine 2 adjacent and combine 3 adjacent - fig.6)
